

The Shanghai Fair Business and Trade Partners Conference will be held on 17th Sep.

It is a brand project of the Shanghai Fair platform, which has been held every two years since 2012, and has been successfully held in Albania, Serbia, Latvia, Belarus and Shanghai, China for five consecutive times. It has gained the strong support and participation of the chambers of commerce and associations as well as enterprises of the countries and cities concerned, which has become an evergreen bond of international economic, trade and humanistic cooperation.

Shanghai Fair Business and Trade Partners Conference will organize the ESG Asia Cooperation Round-table (Bangkok 2024) with the theme of "Cooperation, Toward a Green Future" on 17th Sep in BITEC, Thailand, which aims to build consensus among all parties, focus on the theme of ESG, strengthen regular cooperation, and create a better future together. It is a closed-door session. 6-7 representatives of chamber of commerce from Asia countries will join the meeting.
